The Indian Times

Parents, we are off to an awesome start for the 2019-2020 school year! Our scholars have gotten acclimated to the expectations of Hazlehurst Middle School. Our focus remains the same—EXCELLENCE! We know that our scholars will continue to meet our expectations, so we will keep them high!

Please continue utilizing our school website to stay informed on important events that we have. Additionally, ask your scholar for his/her homework sheet daily. We use this document to ensure that our parents are aware of all homework that is sent home during the week. Lastly, be on the lookout for bi-weekly grade level newsletters. They will keep you informed on what our scholars learn in each of their classes, information regarding test dates, projects, and other assignments.

Our goal is to ensure that our parents are always in the know about what goes on at Hazlehurst Middle School. It truly takes a village to engage in this work of education. Our charge is to make sure that HMS scholars are ready for high school and beyond when they leave our doors. Therefore, we must work together, and communication is key! If there are any questions or concerns, the doors of HMS are always welcome for all.

Info to Know!

Parents, we need your support! Did you know that your child's success is greatly dependent upon the positive relationship that you have with your child's teacher and the school? Your involvement is crucial! What can you do? Read and see!

- Check your scholar's homework sheet daily.
- Ensure that your scholar does his/her homework daily.
- Make sure that your scholar reads for at least 30 minutes per day.
- Make sure your scholar gets a good-nights rest.
- Ensure that your scholar is at school on time, every day, and ready to learn.
- Ask your scholar questions about what he/she learned at school each day.
- Be involved in your scholar's education as much as you can.

Kudos to all parents that participated in our Parent Orientation!!!

Encourage Healthy Eating Habits!

There's no great secret to healthy eating. To help your children and family develop healthy eating habits, do the following:

- Provide plenty of vegetables, fruits, and whole-grain products.
- Include low-fat or non-fat milk or dairy products.
- Choose lean meats, poultry, fish, lentils, and beans for protein.
- Serve reasonably-sized portions.
- Encourage your family to drink lots of water.
- Limit sugar-sweetened beverages.
- Limit consumption of sugar and saturated fat.
