OFFICE OF THE SUPERINTENDENT

Dear Hazlehurst City School District Community:

It is a privilege to welcome you to the 2019-2020 academic school year in the Hazlehurst City School District, where Excellence is the Expectation. The Hazlehurst City School District has one central mission- to provide a 21st-century learning environment that produces civically responsible students that are college and career ready.

The Hazlehurst City School District believes that if serving is below you, leadership is beyond you. With a servant leadership mindset, we seek to develop leaders who initiate change through self-determination, inclusiveness, and critical thinking.

As educators, we believe that quality in education is what makes learning a pleasure and joy. We further believe that it is our responsibility to build stronger by focusing on student achievement, safety, a positive environment, and student-centered decision making. Our instructional program is innovative, creative, and progressive so that we can best serve the different learning strengths and learning styles of our students.

On behalf of the Hazlehurst City School District, I sincerely thank you for your support of our schools, and for the opportunity to work with you as a leader of this amazing school community. I welcome and wish each of you a pleasant and productive school year!

Educationally,

Cloyd Garth, Jr.
