

Greeting Parents and Caregivers,

This year, Hazlehurst City School District will be using **PimsPoints** mobile and web application to communicate with you. PimsPoints is an incredible notification system that also rewards you points for being involved. Earn points for attending activities and meetings, volunteering events and/or participating in extracurricular activities. PimsPoints also rewards you points for responding to poll questions and e-signing and submitting important documents. Points can be exchanged for rewards such as coupons and freebies provided by participating businesses (see rewards).
