## Child Nutrition Department Summer Food Service Program

Hazlehurst City School District Child Nutrition applied for a waiver, and we were granted approval through USDA to operate the Summer Food Service Program (SFSP) instead of the National School Breakfast and Lunch Program (NSBP/NSLP) as usual. While operating under the SFSP, the district is reimbursed by USDA for each meal served. The SFSP will continue through December 2020 or until USDA funds run out.

Grab-and-Go breakfast and lunch is available for children who are 18 and under even if they are not enrolled in the Hazlehurst City School District. Children who are not enrolled in the HCSD must be present in the car to receive the meals at the pick-up locations. Lunch numbers for enrolled students must be given to onsite staff to receive meals at pick-up locations.

Meals will be distributed at the following locations on Monday and Thursday of each week from 11:00 am to 12:30 pm, except on school holidays:
